YADAPP 2010: THE MOVIE

JULY 19-22, 2010
LONGWOOD UNIVERSITY

What Is YADAPP?

- The Youth Alcohol & Drug Abuse Prevention Project (YADAPP) summer leadership conference is a team-based leadership experience for high school students and sponsoring adults.
- YADAPP is designed to empower teams of high school students with the resources and motivation to develop projects that promote school safety and the prevention of drug use among their peers.
- Since 1984, approximately 440 different high schools and community organizations and more than 10,000 students have participated in this unique "youth-led" experience.
- All high schools and community organizations in Virginia are encouraged to send a team to YADAPP 2010 this summer.

YADAPP 2010 Highlights

- **Motivational Speakers:** YADAPP 2010 will feature motivational and inspiring guest speakers in order to energize both students and adults.
- **Strategies To Act Now (STAN) Plan:** Facilitated by youth staff members, the STAN planning process provides structure and guidance for participants as they create a substance abuse and/or violence prevention activity for their school or community. Participants develop an actual plan to present to their principal or organization director.
